

While Yüksel which is one of the leading companies in the construction sector is celebrating its 50th year, Yılmaz Sazak who blends sports with art is realizing his Photography Exhibition. The Yılmaz Sazak International Athletics have been gathering young athletes of various ages for offering young athletes an opportunity to show themselves in the international platforms and developing Turkish athletics since 1996 by Yüksel İnşaat and under the leadership of Yılmaz Sazak who is one of the founding partners of Yüksel and the former president of Athletic Federation. The Yılmaz Sazak International Athletics which are ranked among Europe's top three athletics in the age groups of 12-17 and in which 81 records have been broken for the last eight years enable hundreds of young athletes coming from four corners of the world to have international experience.

A SPECIAL ANTHOLOGY

The Yılmaz Sazak Photography Exhibition to be shown in the TAV Galleries of TAV Airports is comprised of a special anthology selected from the Yılmaz Sazak Photograph Line exhibitions which have been realized for 9 years with photographs taken by the academic members and students of Facult of Fine Arts and Communication of the Maltepe University. The exhibition which will be shown at the İzmir Adnan Menderes Airport in July will meet with its visitors in the TAV Galleries at the İstanbul Atatürk Airport.

Do not miss the special exhibition comprising of phototgraphs taken in the Yılmaz Sazak International Athletics Meetings where athletes who are Turkey's pride compete.
