These projects are implemented under turn-key contracts that include the construction and renovation, as well as furnishings and decoration of branch offices in various neighborhoods of Tashkent and the city of Kokand for the Uzbek National Bank. The larger branch offices among those were Sayhentour (4,400 m2), Akmal Ikramov (3,100 m2), Sabir Rakhimov (1,750 m2), and Kokand (4,000 m2).
