

Yüksel İnşaat. signs a model important project on the March, 8th, World International Women's Day. By starting a two-directional project, the company gives the gifts which are hand-made by the women who are staying in the women's shelters to all female employees working for the General Directorate of Yüksel Holding as well as supporting the women and the children staying in the Women's Shelters of Çankaya Municipality.

Deniz Sazak who is the Corporate Communications and HR Coordinator of Yüksel Holding stated that "We wanted to touch the lives of the women and help them who are experiencing difficulties, as much as we can, especially in an atmosphere in which violence against women is on the increase." ANKARA, Milliyet newspaper.
