This complex has a total construction area 75,000 m2, including a 5-star 500-bed hotel and a 700-bed holiday resort in Bodrum.

The complex is designed to reflect the characteristics of local architecture and was completed as a turn-key project including all necessary auxiliary facilities. There are three swimming pools, two outdoor and one indoor, tennis courts, 4 restaurants, a Turkish bath and sauna, as well as desalination and wastewater treatment plants within the scope of work. The facility meets international standards for holiday resorts and hotels.
